

# SP App

# StartPage Application

*(v1.0)*

*By*  
*Karl Ellis*

# Initial Setup

System requirements:

- Web Server Apache or Nginx or online Hosting.
- PHP 7.4 or higher.
- It does not need MySQL database.

1) Extract all files from the Zip archive and copy them to the root directory of the server or to one of its subfolders.

2) Open your browser and point to that folder on the server.

3) The main page will appear.

4) To start editing, click on the symbol  at the top right and use the default credentials:

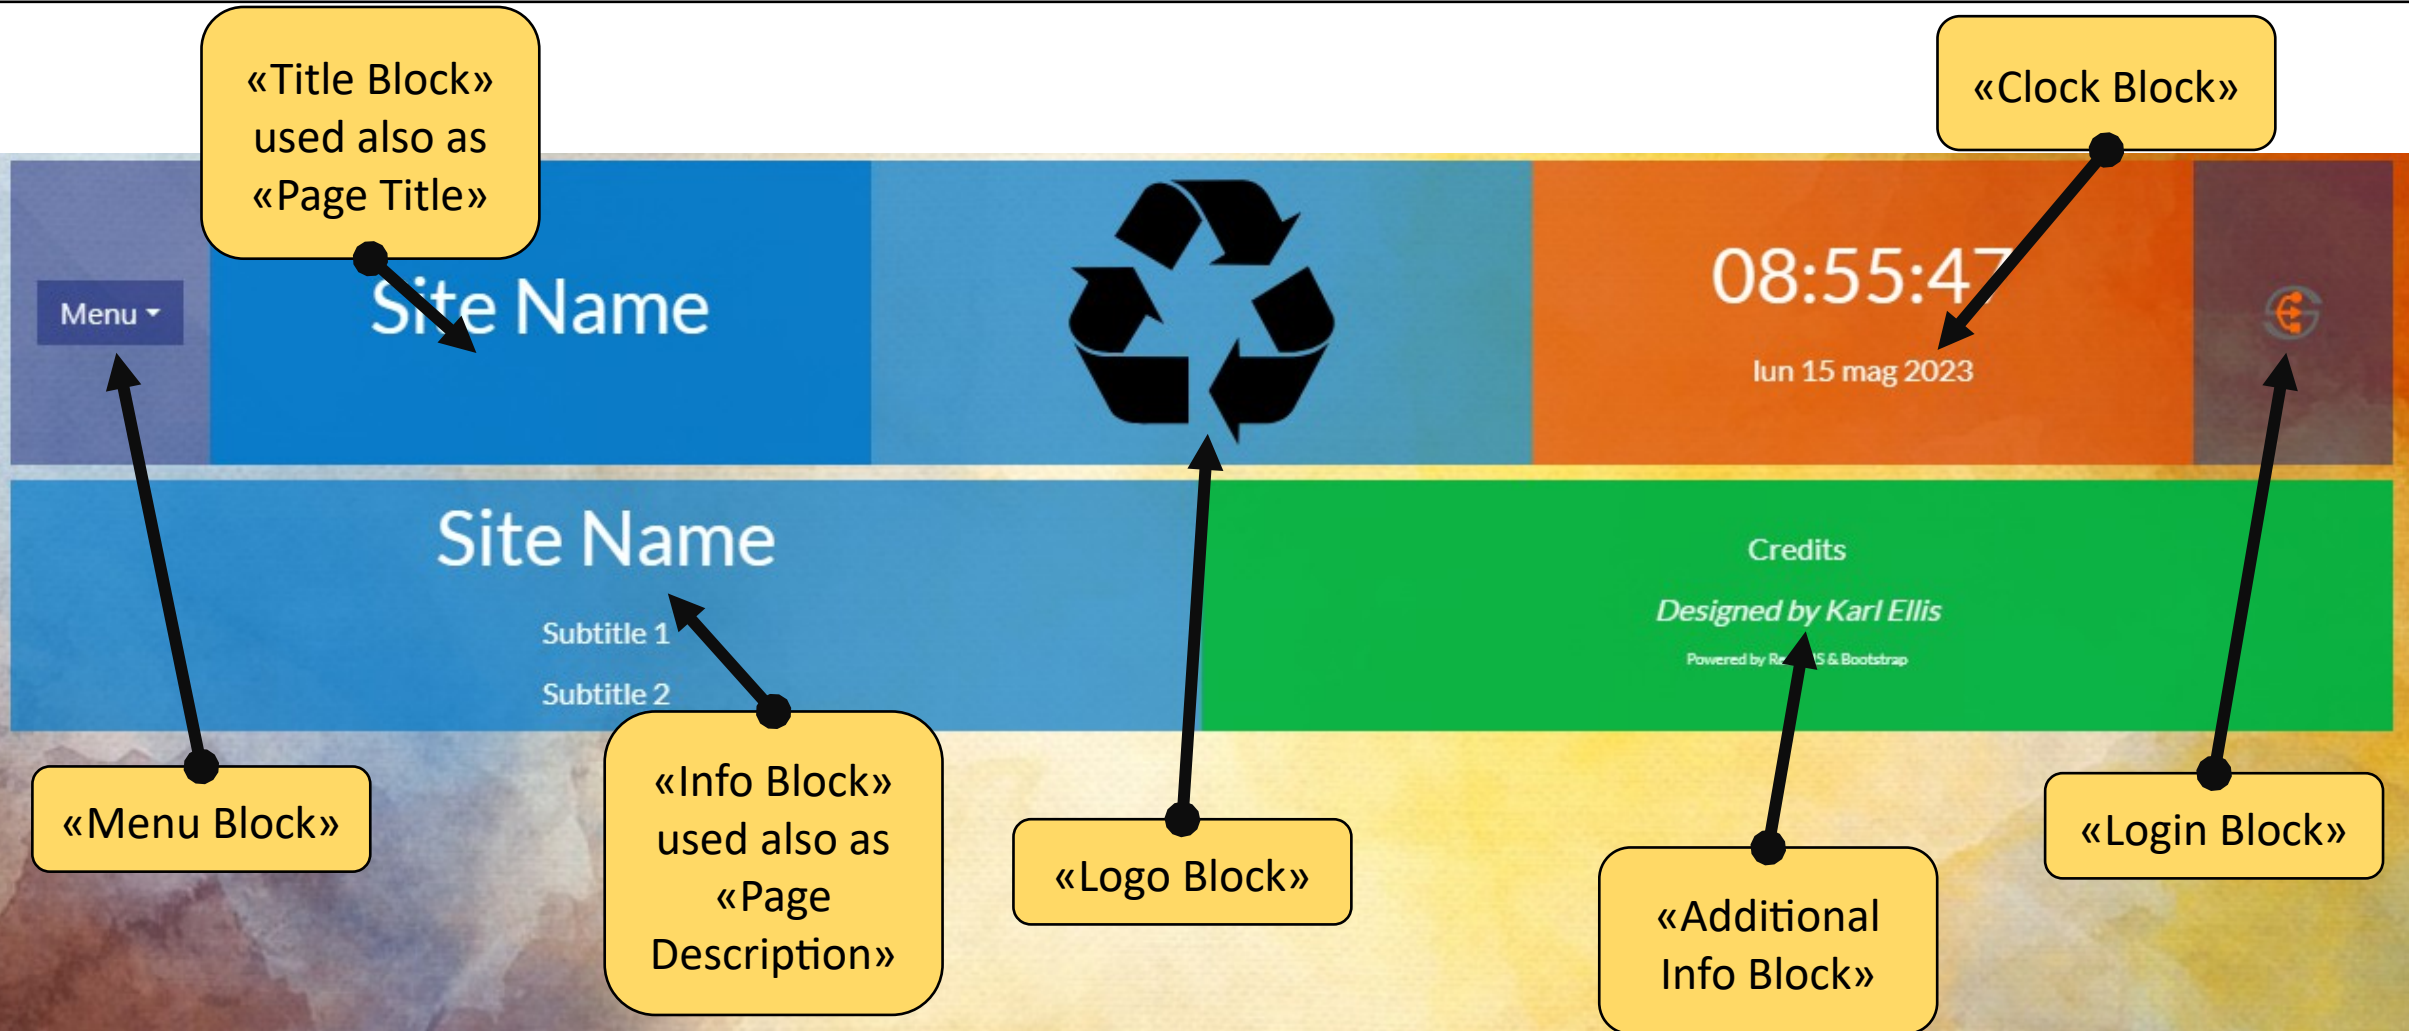

User: **admin**

Psw: **admin**

5) To finish editing, click again .

Follow this guide for more details.

A screenshot of a web application's "Edit Login" dialog box. The dialog has a white background and a light gray border. It contains four input fields: "User", "Psw", "Back color", and "Opacity". The "User" and "Psw" fields are text inputs. The "Back color" field is a color picker showing a teal color. The "Opacity" field is a slider ranging from 0 to 1, with a blue dot indicating the current value. At the bottom right, there are two buttons: "Apply" (blue) and "Close" (gray). Three yellow callout boxes with black arrows point to specific elements: one points to the "User" and "Psw" fields, another points to the "Back color" field, and a third points to the "Opacity" slider. The dialog is overlaid on a blurred background of the application's interface.

Preferences

# Page/Category/Credits preferences

The screenshot shows the 'Edit Backgrounds' dialog box with several annotations pointing to specific controls:

- Background image file for Page or Category/Credits (Max 2MB)**: Points to the 'Scegli il file' button for the 'Page' section.
- Hide background image for Page or Category/Credits**: Points to the toggle switch for the 'Page' section.
- Background colors for Page or Category/Credits**: Points to the 'Main back color' and 'Cat/Credit back color' color pickers.
- Page Image/Background Color brightness**: Points to the 'Brightness' slider.
- Category/Credits Image/Background Color opacity**: Points to the 'Opacity' slider.

The dialog box contains the following controls:

- Page**:
  - Scegli il file (file picker)
  - Nessun file scelto (no file selected)
  - Hide background image for Page or Category/Credits (toggle switch)
  - Main back color (color picker)
  - Brightness (slider)
  - Cat/Credit back color (color picker)
  - Opacity (slider)
- Category**:

Add Category/Item

The image shows a screenshot of a web application interface. At the top, there is a navigation bar with several buttons: 'Edit Menu', 'Edit Title', 'Edit Logo', 'Edit Clock', and 'Edit Login'. Below this, there is a row of three buttons: a purple button with a wrench icon, a green button with a plus icon, and an orange button labeled 'Preferences'. A yellow callout box with the text 'Category/Items Editing Mode «On»' has an arrow pointing to the purple wrench button. Another yellow callout box with the text 'Add Category/Item' has an arrow pointing to the green plus button. The bottom of the interface features a dark grey navigation bar with links: 'Home Page', 'Registro elettronico', 'Posta Elettronica', and 'Commissione Web', followed by a red 'X' icon. The date 'gio 27 lug 2023' is displayed in the top right corner. The background of the interface has a textured, watercolor-like appearance.

# Add Category

The screenshot shows a mobile application interface with a dark blue header and a white modal form titled 'Add Category'. The form has three input fields: 'Scegli il file' (with a placeholder 'Nessun file scelto'), 'Pos' (with a placeholder 'Leave blank for last...'), and 'Title'. At the bottom of the form are two buttons: 'Add' (blue) and 'Close' (grey). Annotations with yellow callout boxes and black arrows point to specific parts of the form: 'Image file selector for the Category's Icon (Max 2MB)' points to the 'Scegli il file' field; 'Enter the position where you want to insert the category. Leave empty for «last»' points to the 'Pos' field; and 'Category label' points to the 'Title' field. The background shows a sidebar with 'Menu', 'Edit Menu', and 'Edit Login' buttons, and a bottom bar with an 'Add Item' button.

# Editing Category/Items

The screenshot displays a website editing interface. At the top, there's a header bar with a 'Menu' dropdown, 'Site Name', 'Edit Title', 'Edit Logo', 'Edit Clock', and 'Edit Login' buttons. Below this is a navigation bar with a purple bar containing a wrench icon (labeled 'Editing mode for Category/Item (on/off)'), a green bar with a folder icon (labeled 'Category's position'), and an orange bar with a book icon (labeled 'Item's position'). The main content area shows a large blue house icon. At the bottom, there's a table with three columns: 'CATEGORY', 'ITEM', and 'Commissione Web'. The 'CATEGORY' column has an 'Edit' button and a '1' in a grey box, followed by a 'Remove' button. The 'ITEM' column has an 'Edit' button, a '1' in a grey box, and a 'Remove' button. The 'Commissione Web' column has an 'Edit' button, a '2' in a grey box, and a 'Remove' button. A red 'X' icon is visible next to the 'Commissione Web' header.

# Category/Items Edit-Del

The screenshot displays a web application interface with a top navigation bar and a main content area. The top bar includes a 'Menu' dropdown, a 'Site Name' field with an 'Edit Title' button, a logo placeholder with an 'Edit Logo' button, a date 'lun 15 mag 2023' with an 'Edit Clock' button, and a user profile with an 'Edit Login' button. Below this is a horizontal bar with a purple section containing a wrench icon and a green section containing a plus icon. The main content area features a large blue house icon in the center, a yellow folder icon on the left, and a green server icon on the right. At the bottom, there are three data rows: 'CATEGORY', 'ITEM', and 'Commissione Web'. Each row has an 'Edit' button, a count in a grey box, and a 'Remove' button. Two yellow callout boxes with arrows point to specific buttons: 'Category Edit Button' points to the 'Edit' button in the 'CATEGORY' row, and 'Items Remove Buttons' points to the 'Remove' button in the 'ITEM' row.
